Worker Registration Form

(Please type or print information clearly)

Workers are ages 19 or older who want to assist in one of the many areas that need staffing at LIFE 2010. They will be assigned to a project director who will schedule their work assignments during the conference. Work assignments will be a minimum of six hours per day. If the worker fails to report then he/she will be charged for that day. Workers will register individually, not with a group. Workers will not be available to serve as youth sponsors during LIFE 2010. The LIFE Committee considers this to be a very important group of people who will be essential to the success of the LIFE 2010 Conference. If you have any questions please contact Eric McAdams at e2mcadams@gmail.com.

I agree to fulfill this commitment

I am available to work the entire conference, July 6–10.
